

What is Narcotics
Anonymous?

NA is a nonprofit fellowship or society of men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to help each other stay clean. This is a program of complete abstinence from all drugs.

There is only one requirement for membership, the desire to stop using. We suggest that you keep an open mind and give yourself a break.

Our program is a set of principles written so simply that we can follow them in our daily lives.

The most important thing about them is that they work!

**What is Narcotics Anonymous
Cont.**

There are no strings attached to NA. We are not affiliated with any other organizations, we have no initiation fees or dues, no pledges to sign, no promises to make to anyone.

We are not connected with any political, religious, or law enforcement groups, and do not participate in surveillance at any time.

Anyone may join us, regardless of age, race, sexual identity, creed, religion, or lack of religion.

We have learned from our group experience that those who regularly come to our meetings

stay clean!

Who is an addict?

Most addicts do not have to think twice about this question.

Our whole lives and thinking were centered in drugs in one form or another - the getting and using and finding ways and means to get more.

We lived to use and used to live. Very simply, an addict is a man or woman whose life is controlled by drugs.

We are people in the grip of a continuing and progressive illness whose ends are always the same:

Death!**

Please support your community by attending meetings of Narcotics Anonymous, and becoming part of the solution and not the problem.
